NAME:   
(Applicant)

TITLE: Senior District Manager  
(If other than applicant, attach letter of agent authorization.)

**Include the following information to support this application for a public benefit determination.**

1. Describe the proposed facility. Include at a minimum: the location and acreage of the site; acreage within the solid waste boundary if the proposed facility is a landfill; the disposal capacity in cubic yards and the projected facility life; a list of the waste types, major sources, and estimated annual volumes to be handled at the facility; the geographic area to be served by the proposed facility; and a map showing the facility location.

**See Sections 1.3 through 1.5 and Figure 3 of the Application.**

2. Identify the immediate, short-term, or long-term capacity need(s) which this facility will address, and whether the capacity of the proposed facility will exceed that required to meet the identified need(s).

**See Section 2.2 of the Application.**

3. Describe how the proposed facility is consistent with the state waste management and recycling plan. (This is not required for proposals to expand commercial facilities that accept only special waste for landfilling.)

**See Section 3.2 of the Application.**

4. Describe whether the facility is intended to: compete with presently available solid waste facilities, replace these facilities, or provide disposal services not presently available.

**See Section 2.2 of the Application.**

5. Provide documentation of your title, right or interest in the property proposed for facility development.

**See Section 6.0 of the Application.**

6. Provide a map showing all abutters and a list of names and mailing addresses for all abutters.

**See Section 7.0 of the Application.**

*Please note that the Department may not accept an application for a new or expanded solid waste disposal facility for processing until the commissioner determines that the proposed facility or expansion provides a substantial public benefit.*

**CORRECTED PUBLIC NOTICE OF INTENT TO FILE**

Please take notice that Waste Management Disposal Services of Maine, Inc., 357 Mercer Road, Norridgewock, ME 04957 is intending to file an application with the Maine Department of Environmental Protection (DEP) on or about July 2, 2018 pursuant to the provisions of 38 M.R.S.A. **Public Notices**

**Public Notices**

Public Notices are a permanent and independent record of government and court actions. These include state and local government meetings, rule making, available contracts, zoning changes, and many more, as required by law. In addition, parties to some court proceedings, such as foreclosures, probate, and estate actions are required to publish notices to ensure notification of affected parties, as well as the general public. These notices also alert business owners, large and small, to potential government contractual jobs, helping to ensure economic activity across a level playing field. Public notices have existed to ensure transparency in all levels of government since the founding of the United States.

State and local notices are published in Maine newspapers and are also recorded at mainenotices.com, where anyone can browse or search notices, and sign up to receive email alerts when relevant notices appear.

The State of Maine is seeking proposals for training and technical assistance for Maternal and Child Health providers. In addition, the State is looking for the coordination of the Maine Maternal, Fetal and Infant Mortality Review Panel.

A copy of the RFP, as well as the Question & Answer Summary and all amendments related to this RFP can be obtained at the following website: <https://www.maine.gov/dafs/procurementservices/vendors/rfps>.

**Public Notice**

**The Hollowell Water District (the District) will be filing a revised rate schedule with the Maine Public Utilities Commission, to be effective January 1, 2019. The filing is made under provisions of 35-A-M.R.S.A. Section 6104. The docket number for the filing is 2018-00159.**

Present rates were effective January 1, 2017. In 2018 the District undertook a main replacement project on Water Street that is being funded by two new bonds totaling \$1,038,007. In order to pay these new debt service obligations and continue properly maintaining its water system, the District is proposing an overall revenue increase of \$134,084 as shown below:
