RE: Application Acceptance
S-010735-WD-YB-N
Application for Landfill Expansion

Dear Sherwood:

Waste management's application for the proposed Phase 14 landfill expansion was received by the Department of Environmental Protection on October 28, 2019 and was assigned DEP #S-010735-WD-YB-N. Please refer to this number in any future correspondence regarding this application.

The application is substantially in compliance with the submission requirements of the *Rule Concerning the Processing of Applications and Other Administrative Matters*, 06-096 C.M.R. ch. 2 (last amended June 9, 2018), the *Solid Waste Management Rules: General Provisions*, 06-096 C.M.R. ch. 400 (last amended April 6, 2015) and the *Solid Waste Management Rules: Landfill Siting, Design and Operation*, 06-096 C.M.R. ch. 401 (last amended April 12, 2015).

The application has been accepted for processing. The quality and completeness of the information contained in the application largely affects how quickly it can be processed. You may expect the Department to request additional information as the application is processed.

Please contact me at 207-287-7885 with any questions or concerns you may have.

Sincerely,
