Subject: Follow up after Waste Management/Crossroads Landfill Hearing

Good morning:

Thank you for participating in the Waste Management Landfill Expansion public hearing on October 1. At the close of the hearing we discussed possible dates for submission of post hearing briefs by the parties (Waste Management and the Town of Norridgewock) but did not confirm any dates. After the hearing, both parties confirmed that they do not wish to submit post hearing briefs. I am also not requesting either party to submit post hearing briefs.

I still expect that the transcript will be completed by the beginning of November, and I will post the transcript on the Department's website.

Thank you.
