RE: Global Companies LLC Application for Chapter 115 Minor Revision

Dear Mr. Yates:

Your application for an air emission license minor revision has been received by the Department of Environmental Protection. The following application tracking number has been assigned to this application: 583681. This application is expected to be addressed in license number A-432-71-P-M.

This application was considered acceptable for processing on February 26, 2020. Although the application has been accepted for processing, the Department may still request additional materials if they are deemed necessary to the processing of the application. Any additional materials submitted in response to such a request will be considered addendums to the original application and not a separate licensing action.

Sincerely,

Jane Gilbert, P.E.  
Bureau of Air Quality
