
Technical Committee Meeting #1 Agenda

9:30am: Introduction of Committee Members (10 minutes)

9:40am: Overview of Steering Committee Referral Items (10 minutes)

9:50am: Review Decision Tree DEP Proposal (20 minutes)

10:10am: LID Discussion – Preserving/Protecting On-Site Hydrology (2 hours 30 minutes)

How do we define “Low Impact Development?”

****Remember, this is a Chapter 500 Rule Update, we aren’t currently touching Wetland/NRPA Regs, Site Law Regs, nor are we developing a comprehensive master-plan for the entire State of Maine.****

How do we create clear, specific, and measurable standards?

Discuss groundwater recharge / infiltration requirements.

12:40pm: Discuss Next Steps, Subcommittees, Topic for the Next Meeting, Research Needed Between Now and Next Meeting (20 minutes)
