

**Pollution Prevention Plan (“P2 Plan”) Certification Statement**

As a senior official of \_\_\_\_\_(Facility Name), located in \_\_\_\_\_(Municipality), Maine, I certify under penalty of law that a pollution prevention plan, or other equivalent environmental management system, specific to this facility has been developed which includes the priority toxic chemical(s) used at this location. By signing this certification, I also confirm that this pollution prevention plan meets the requirements set forth in 38 M.R.S.A. § 2325, and that employees have been notified of and involved in the plan’s development.

I, the undersigned, believe this statement to be true, complete, and accurate based on information and belief formed after reasonable inquiry.
