

**PRECISION TANK TESTING COMPANIES FOR UNDERGROUND
TANKS WITH SUCTION PIPING SYSTEMS**

The Maine Department of Environmental Protection does not certify, endorse or register precision testing companies and, consequently, has not maintained a complete list of precision testing companies. The following companies have either asked to be added to this list or have submitted a precision test to the Department.

These are the only known companies that provide test methods that are third party evaluated for use with suction piping systems.

**Tanknology
100 Dobbs Lane, Suite 205
Cherry Hill, NJ 08034
(800) 666-1215
Vacutect, TLD-1**

**Tracer Research Corp.
Attn: Jimmy Humphries
3755 North Business Center Drive
Tucson, AZ 85705
(520) 888-9400**
