

	Maine Department of Environmental Protection Bureau of Remediation and Waste Management Division of Oil & Hazardous Waste Facilities Regulation 17 State House Station, Augusta, Maine 04333- 0017 Telephone: (207) 287-2651		
<b>Registration Number</b>			
Registration Form for Used Oil Collection Centers Pursuant to 38 M.R.S.A. Section 1319-Y			
<b>Facility Information</b>			
A. Name of Facility:			
Street address:			
Town/City		County:	
Zip Code		Telephone number:	
Directions to Facility:			
Contact Person (name and telephone number)			
B. Facility Owner (name and telephone number):			
Mailing address:			
Street address:			
Town/City:		County:	
Zip Code:		Telephone number:	
C. Facility Operator (name and telephone number):			
<b>D. Check which is applicable to the facility</b>			
<input type="checkbox"/> Facility burns used oil for heat supplement			
<input type="checkbox"/> Facility sends oil for recycling			
<b>II. Design and Operational Requirements</b>			
<p>The following are mandatory requirements for acceptance into the Used Oil Collection Center Program. Check each only when you meet these requirements.</p> <p>Please use additional sheets of paper to explain where applicable.</p>			

1. For tanks located outside:

A. Specific location of tank: \_\_\_\_\_

Tank is double-walled; **or**

Tank is 110% diked and both tank and dike are watertight and contained under roof.

C. Are tank(s) secured to prevent tipping?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
--	------------------------------	-----------------------------

2. For tanks located inside:

A. Specific location of tanks: \_\_\_\_\_

B. Check which applies:

Tank is double-walled; **or**

Tank is 50% diked

C. Are tank(s) secured to prevent tipping?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
--	------------------------------	-----------------------------

D. Do the tank(s) have rigid piping?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
--------------------------------------	------------------------------	-----------------------------

\_\_\_\_\_

3. For all used oil tanks (tanks located inside and outside):

What is the construction material? \_\_\_\_\_

What is the number of tanks at site? \_\_\_\_\_

Capacity of each tank (please list each tank separately): \_\_\_\_\_

**III. Facility Operation**

The following are mandatory requirements for acceptance into the Used Oil Collection Center Program. Check each only when you meet these requirements. Please use additional sheets of paper to explain any "no" answers.

A. Can tanks be inspected from all sides including bottom?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
--	------------------------------	-----------------------------
